Every town has a place the locals like to call their own. In 1990, we opened Sweet Lew's Café in hopes to be that place. It's a place where the food is freshly prepared, served by smiling faces, where the vibe is warm and friendly.

As the years passed, we've grown along with our Monmouth County communities. Your patronage and friendships have allowed us to support our local schools, sports leagues and many artistic and charitable causes.

No matter where you call "home", we are proud to be your "hometown" café, a place where you're treated like family, a place where we strive to do our very best to provide you with a great dining experience and make you feel right at home. After all, this is your place!

Thanks for joining us today, "where it's always GOOD!"

All the best,

Keith
aka Sweet Lew
